

How To Update Login Credentials

Follow these step-by-step instructions on update your login credentials for your MINT account. *Please note: You will need your log in credentials to update your account. Contact MINT at 913-338-2553 if you are unable to log in.*

1

From the MINT website, click [My Account](#) in the top right corner of the screen.

2

If you are not logged in, enter the credentials for your account into the fields. If you are logged in, move on to Step 3.

Tip: If you would like to expedite the log in process, you can select the [Remember Me](#) checkbox to stay signed in until you log out or clear your browsing data.

3

From the My Account Dashboard, navigate to the [Account Details](#) tab located on the left side of the screen. From here, you can update your account details.

Please note: Updating the email associated with your account will not change your username. Usernames are not editable. The email address field updates the email that will receive communications from MINT.

4

When you are finished making changes to your account details, click the [Save Changes](#) button at the bottom of the page.

The screenshot shows a form for updating account details. It contains two input fields: 'New password (leave blank to leave unchanged)' and 'Confirm new password'. At the bottom of the form is a button labeled 'SAVE CHANGES', which is highlighted with a red box.
